Important Information

Order cut-off times are provided as guidelines only to give you a fair idea of when we may come knocking at your door! And these do not take into account possible delays caused by payment authorization. We aim to dispatch all orders within 1-3 weeks, however estimated delivery times are to be used as a guide only and commence from the date of dispatch. We are not responsible for any delays caused by destination customs clearance processes, only responsible for making you look gorgeous and feeling fabulous! Please do note that we are unable to redirect orders once items have been dispatched and that all orders require a signature upon receipt.

For International Customers:

Most countries are shipped to on a DDU (Delivery Duty Unpaid) basis, which means product prices displayed are exclusive of all import duties. As the recipient, you are liable for all import duties, customs and local sales taxes levied by the country you are in, payment of these at the time of delivery is necessary to release your order from customs on arrival.
